Digital Core
Programming

Question	Response
State the average number of hours of Core Programming per week broadcast by the station on its main program stream	3.31
State the average number of hours per week of free over-the-air digital video programming broadcast by the station on other than its main program stream	168.0
State the average number of hours per week of Core Programming broadcast by the station on other than its main program stream. See 47 C.F.R. Section 73.671:	4.0
Does the Licensee provide information identifying each Core Program aired on its station, including an indication of the target child audience, to publishers of program guides as required by 47 C.F.R. Section 73.673?	Yes
Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?	Yes

Liaison Contact

Question	Response
Does the Licensee publicize the existence and location of the station's Children's Television Programming Reports (FCC 398) as required by 47 C.F.R. Section 73.3526(e)(11)(iii)?	Yes
Name of children's programming liaison	Jerome Chester
Address	3800 Hooper Avenue
City	Baltimore
State	MD
Zip	21211
Telephone Number	(410) 338-6600
Email Address	jerome.chester@hearst.com
Include any other comments or information you want the Commission to consider in evaluating your compliance with the Children's Television Act (or use this space for supplemental explanations). This may include information on any other noncore educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C. F.R. Section 73.671, NOTES 2 and 3.	<p>The Digital Core Programming Summary section of this report would not permit the station to include preemption reports for such unrescheduled preemptions, and FCC Staff has advised that no preemption report for such unrescheduled episodes is necessary. On April 21, 2018, core program Health plus Happiness with Mayo Clinic was preempted from its regularly scheduled time at 12 pm to air breaking news coverage of the funeral proceedings of former First Lady and American icon Barbara Bush. The late-breaking nature of her passing and scheduling of her funeral service were beyond the control of the station and made it impracticable for the station to reschedule this episode in its second home. However, the station was able to reschedule this episode later that same day, April 21, at 2 pm. Similarly, also on April 21, 2018, the station had planned to preempt the regularly scheduled episode of The Champion Within at 930 am and air it in its second home at 1230 pm. However, due to the breaking news coverage for the Bush funeral service referenced above, the episode was further preempted, but the station was able to reschedule this episode later that same day, at 230 pm.</p>

This program inserts the clear, informed voice of the students into their adult-dominated media and provides a unique perspective that is not currently available on network news programs. Weekly Reader provides educational content and works with teachers nationwide to download scripts to teach public speaking, reading, and writing skills. Program airs on the main digital channel.

Other Matters (7 of 12)	Response
Program Title	Beakman's World
Origination	Syndicated
Days/Times Program Regularly Scheduled	Sunday 8 and 8:30 AM
Total times aired at regularly scheduled time	28
Length of Program	30 mins
Age of Target Child Audience from	13 years to 16 years

Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This live-action series based on the comic strip by Jok Church stars performance artist Paul Zaloom as the slightly nutty - but never boring - scientist who leads a journey of discovery while performing experiments that demonstrate how the world works. Topics are addressed with cutting-edge humor and state-of-the-art visuals that make learning fun. Joining Beakman in his quest are Josie (Alanna Ubach), his bright young apprentice, and an oversized, sarcastic rat named Lester (Mark Ritts). Program airs on the Multicast Channel.
